

RAPID! MOBILE APP¹ TO ACCESS YOUR ACCOUNTS AT NO COST!

Most employees now expect to be able to manage their finances from one central place.

rapid! PayCard has developed a Mobile App¹, at no cost to the employee, called rapid!Access, which enables them to manage finances on the road.

With our latest release, cardholders have some great new features that allow for secure and immediate access to view and manage their card account. Cardholders can now access their finances wherever they are . . . the mall, the grocery store, the gas station . . . or even sitting at home on the couch.

The rapid!Access app is iPhone and Android compatible.

¹ While rapid! PayCard does not charge for this feature and service, standard text messaging, data and cellular rates may apply. Please check with your cell phone carrier and inquire about fees your carrier may associate with these services.

² All checks subject to review for approval. Some bank issuers may take up to 48 hours to post funds to your card account. Fees may apply.

The rapid! PayCard® Mastercard Card is issued by MetaBank®, Member FDIC, pursuant to a license by Mastercard International Incorporated. Prepaid card can be used wherever Debit Mastercard is accepted. Mastercard is a registered trademark of Mastercard International Incorporated.
